

Horizon Conseil

PREMIUM CONSULTING FIRM

STRATEGIC INTELLIGENCE
FOR DEVELOPMENT

ABOUT US

Horizon Conseil

is an independent premium consulting firm, specialized in supporting African companies, public institutions and strategic organizations in their structuring decisions and priority transformations.

Based in Dakar, the firm works on a national and regional scale with leaders facing complex environments, highly regulated and constantly evolving. Our vocation is to provide high-level strategic expertise, based on analytical rigor, a detailed understanding of sectoral dynamics and a long-term vision.

Our positioning

Horizon Conseil is distinguished by a clear positioning: combining international standards of strategic advice and in-depth understanding of African economic realities.

We operate mainly in sectors with high strategic and institutional stakes, notably :

- The regulated sectors
- Energy
- Strategic industries
- Public policies and governance

These environments require precision, method, confidentiality and capacity for systemic analysis. It is on these foundations that our added value rests.

Accelerate your strategic decisions and secure your transformations for a sustainable impact.

EXCELLENCE

We strive for excellence in every mission and project we undertake.

INTEGRITY

We act with transparency, ethics and professionalism in all circumstances.

INNOVATION

We integrate best international practices adapted to the local context.
